

We operate from Gescher throughout Germany and other European countries. The company's focus is on high-quality interior fittings, trade fair construction and store fitting. Customers especially appreciate the good quality of the products, the reliability and the flexibility of the employees.

We are looking for a

Master Carpenter/ Wood Technician (m/f/d)

Your profile:

- technical/craft training in the wood trade
- several years of professional experience
- confident handling of CAD and Microsoft Office
- independent, customer-oriented way of working

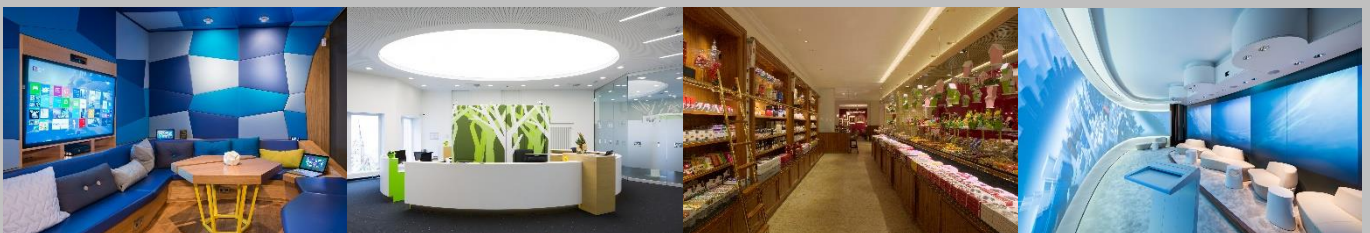

Your tasks:

- Project management
- work preparation
- quotation calculation

We offer:

- a committed, motivated and friendly team of colleagues
- a high level of personal responsibility with plenty of scope for individual development
- an exciting and varied range of tasks
- an attractive income with additional social benefits

The Twents team looks forward to receiving your application by mail, e-mail or in person from Mr. Volmary or Ms. Wiebke Marcath.
